Saskatchewan native Jarret Stoll, #28 LA Kings, is a firm believer that a hospital is not just about treating illness and injury, but also about comfort and healing. With the \$373,000 (net) raised over three years for the Jarret Stoll Patient Comfort Fund Endowment for Children at Royal University Hospital, the RUH Foundation will continue to refurbish play rooms, waiting rooms and family sleep rooms, and to fund televisions, DVD players, music and books to help pass the long hours. Stoll said, "It's my goal to make the hospital stay for young patients and their families as comfortable as possible."

Starting Monday, June 15<sup>th</sup>, visit our Presenting Sponsor, Boston Pizza on 51<sup>st</sup>, to bid on L.A. King's memorabilia autographed by Jarret Stoll. On Thursday, June 25<sup>th</sup>, 5-6 p.m., attend the Celebrity Autograph Event at Boston Pizza on 51<sup>st</sup>.
